**About Co-op time:** Co-op time affords us the opportunity to offer the extensive program and service that make Camp It Up! so special. Each adult camper is asked to contribute between 2-4 hours (2 for 3-day campers, 4 for 7-day campers) of "work time" in a variety of programs. We will assign only as needed and keep work time to an absolute minimum.

**Choosing Co-op time:** We ask each adult to sign up for one shift. Please check or circle two or more of the following:

**A. \_\_\_\_\_ Assisting in a children's group**

We need help primarily with the youngest groups. Please don't sign up for *your* child's group. Do you have a preference for 1 & 2\_\_\_\_, 3 & 4\_\_\_\_ or 5 & 6\_\_\_\_?
